#### **Role and responsibilities**

The primary function of the Chair is to lead the Wales Coasts and Seas Partnership (CaSP Cymru), championing the importance of the marine and coastal environment in Wales.

Please see Annex B below for the role and responsibilities of CaSP Cymru. The Partnership has oversight of action across Welsh Government and Wales in relation to coasts and seas and one role of the Chair is to convene members to collaborate with the Marine and Fisheries teams on any new and emerging policy areas.

The Chair will also chair strategic stakeholder groups on a task and finish basis. Specifically the Clean Seas Partnership, Marine Conservation Zones Steering Group, and other ad hoc groups for example Marine Planning, and establish appropriate stakeholder linkages across Welsh Government portfolios, for example, with the Ministerial Advisory Group for Welsh Fisheries and the Biodiversity 30x30 Deep Dive group.

The Chair will meet with the Minister for Climate Change twice a year to report on actions the group is delivering on the key three themes and the relevant 30x30 Biodiversity recommendations.

It is expected the Chair will also work closely with the Future Generations Commissioner in future.

The Chair will be supported by the Marine and Fisheries Division, who provide the secretariat for the Partnership.

## The role and responsibilities of the Wales Coasts and Seas Partnership (CaSP Cymru)

### Background

Wales Coasts and Seas Partnership comprises a wide range of stakeholders from across the marine and coastal sector. They are committed to working collaboratively to achieve our vision as set out in the [Welsh National Marine Plan](#) of Welsh seas that are clean, healthy, safe, productive and biologically diverse.

The Partnership is an exemplar of how embodying [the Well-being of Future Generations \(Wales\) Act](#) five ways of working is able to help tackle Climate Change and address actions to improve our marine resilience. CaSP Cymru places emphasis on being outward facing, making connections and networking to enable co-design and collaborative action across interest groups.

As well as engaging and providing comment and feedback on Welsh marine policy CaSP Cymru are working to deliver three key 'enablers' necessary to achieve our vision for Welsh seas:

- Developing **ocean literacy** across all parts of society - raising awareness of the significance of our coasts and seas will encourage further action across policy areas, and other administrative frameworks such as Public Service Boards.
- **Sustainable long term investment** and developing longer term sources of public and private finance is crucial to support delivery of key objectives
- **Building capacity**, particularly at the local level, will enable meaningful community engagement to identify local opportunities and challenges and deliver action

Current work includes:

- Developing an Ocean literacy strategy for Wales and actions to connect people and work to amplify the importance of the marine environment and our impacts on it.
- Shaping content for the Wales Marine and Fisheries Scheme, particularly developing a new capacity building element to establish longer term engagement and build coastal community capacity to identify and deliver local action.
- Exploring a blended finance mechanisms for the marine environment in Wales.
- Helping to deliver the [30x30 Biodiversity Deep Dive recommendations](#) for capacity building, skills development, behaviour change and awareness raising in the marine environment.

In October 2022 the group, which was previously the Wales Marine Action and Advisory Group, was re-branded as the Wales Coasts and Seas Partnership (CaSP Cymru) and the Minister for Climate Change decided to make this new appointment to reflect the renewed focus on co-production, collaboration and a partnership way of working. The revised Terms of Reference and our Shared Narrative are published here: [Wales Coasts and Seas Partnership \(CaSP Cymru\) | GOV.WALES](#).

## The selection process

The interview panel will assess candidates' CVs and personal statements to determine who it believes best meet the criteria for the role, and who will be invited to interview. The panel will rely only on the information you provide in your CV and statement to assess whether you have the skills and experience required. Please ensure that you provide evidence to support how you meet all of the essential criteria.

The selection panel will be chaired by Alice Teague, Deputy Director for Marine and Fisheries and will also comprise Peter Davies, outgoing Chair and Rhian Jardine, independent panel member.

Your application may be "long-listed", subject to the volume of applications received, before it is passed to the shortlisting panel for consideration. You should be aware that in this situation, your application might not be considered in full by all of the panel.

We anticipate that during March 2023 the panel will have decided who will be invited for interview in April 2023. It is our intention that interviews will take place in the Welsh Government Offices, Cardiff, CF10 3NQ.

The panel will select for interview only the strongest applicants who it feels have demonstrated that they best meet the criteria set out in the person specification. However, if you have applied under the guaranteed interview scheme **and you meet the minimum essential criteria** for the post, then you will also be invited for interview.

If you are invited to interview and if the interview date is not already provided in this information pack, we will aim to provide you with as much notice as we can of the interview date. If you are unable to make the arranged interview date, we will endeavour to re-arrange it but it might not be possible due to time constraints within the appointment timetable or selection panel availability.

You will receive email communication from Welsh Government's application centre to let you know whether or not you have been invited to be interviewed.

If invited to interview, the panel will question you about your skills and experience, asking specific questions to assess whether you **meet the criteria** set out for the post.

Candidates who the panel believe are 'appointable', will be recommended to Ministers who will make the final decision. The Minister may choose to meet with appointable candidates before making a decision. If she/he does, she/he will meet all candidates and in the presence of the panel chair or their nominated representative. There will be a time gap between interview and a final appointment decision being made. Candidates who have been interviewed will be kept informed of progress.

If you are successful, you will receive a letter appointing you as Chair of the Wales Coasts and Seas Partnership, which will confirm the terms on which the appointment is offered.

## **{Wales Coasts and Seas Partnership (CaSP Cymru)}**

If you are unsuccessful at interview, you will be notified through the Welsh Government's application centre. We appreciate it takes a lot of time and effort to apply for roles and that feedback is a valuable part of the process. As a result, the letter will provide the details of who you may approach for feedback on your interview and application, if you so wish
