Applications are particularly welcome from all under-represented groups including women, people under 30 years of age, black, Asian and minority ethnic people, disabled people, and lesbian, gay, bisexual and transgender people.

## **The role and responsibilities of Swansea Bay University Health Board**

### **Background**

This is an exciting opportunity to make a contribution to local health services, aligned with the Strategic direction of NHS Wales.

Swansea Bay University Health Board (formerly ABMU) was created on April 1, 2019 after responsibility for providing healthcare services in the Bridgend County Borough Council area passed from ABMU to the new Cwm Taf Morgannwg University Health Board.

Swansea Bay University Health Board covers a population of around 390,000 people, has an annual budget of over £1 billion and employs around 12,500 staff, 70% of whom are involved in direct patient care. We provide integrated care for patients and deliver acute, intermediate, mental health, community and primary care services to people in Swansea and Neath Port Talbot.

In addition, we provide a large range of regional and sub-regional services including cardiac surgery and burns, plastic surgery for patient in the South West of England, forensic mental health for South Wales and learning disability services from Swansea to Cardiff as well as for the Rhondda Cynon Taf and Merthyr Tydfil areas.

Primary Care Services are provided through general practitioner, opticians, community pharmacists and dentists who all operate as independent contractors. Swansea Bay University Health Board manages GP Out-of-Hours Services and General Medical Services for Swansea prison.

Swansea Bay University Health Board has three acute hospitals providing a range of services:

- Neath Port Talbot Hospital in Port Talbot;
- Singleton Hospital in Swansea; and
- Morriston Hospital in Swansea.

There are also a number of smaller community hospitals and primary care resource centres providing important clinical services to residents outside the four main acute hospital settings.

We have an ambitious organisational strategy, closely aligned to the progressive policy and legislative landscape in Wales, including a shift to prevention and primary care, close integration with social services and the Wellbeing and Future Generations Act.

The Health Board has developed strong partnerships with neighbouring health boards, local authorities, the 3<sup>rd</sup> sector and others. These include Swansea University with whom we strive to develop a research and education-driven culture, working in close partnership with Swansea University, its College of Medicine, Human and Health Science, and the Institute of Life Science.

## Swansea Bay University Health Board

Swansea Bay Local University Health Board is currently involved in an exciting project with Swansea University and Hywel Dda health Board called a Regional Collaboration for Health (ARCH). This is health and science working together, to improve the health, wealth and wellbeing of the people of South West Wales.

### **The role of the Board**

The three key roles through which the board demonstrates leadership within its organisation are:-

- Formulating strategy.
- Ensuring accountability by holding the organisation to account for the delivery of the strategy and through seeking assurance that systems of control are robust and reliable
- Shaping a positive culture for the Board and the organisation.

### **The role of the Board member focuses on four key areas:-**

- **Strategy** – to contribute to strategic development and decision-making
- **Performance** – to ensure that effective management arrangements and an effective team are in place at the top level of the organisation. To help clarify which decisions are reserved for the Board and then ensure that the rest are clearly delegated and to hold management to account for its performance in meeting agreed goals and objectives through purposeful challenge and scrutiny, and to monitor the reporting of performance
- **Risk** – to ensure that financial information is accurate and that controls and systems of risk management and assurance are robust and defensible
- **Behaviour** – to live up to the highest ethical standards of integrity and probity and comply fully with the Code of Conduct. Board members should demonstrate through their behaviour that they are focusing on their responsibilities to citizens, the organisations and its stakeholders

## The selection process

The selection panel will be chaired by Emma Woollett, Chair of Swansea Bay Local University Health Board and will also comprise Steve Spill, Swansea University Health Board Vice Chair, Ian Owen of Welsh Government and Paul Newman, IM for Hywel Dda as the Independent Panel Member.

Your application may be “long-listed”, subject to the volume of applications received, before it is passed to the shortlisting panel for consideration. You should be aware that in this situation, your application might not be considered in full by all of the panel.

We anticipate that during the week commencing **16/01/2023**, panel will decide who will be invited to present to a stakeholder group and interview in week commencing **06/03/2023**.

It is our intention that interviews will take place either remotely via Microsoft Teams or in person at our HQ.

The panel will select for interview only the strongest applicants who it feels have demonstrated that they best meet the criteria set out in the person specification. However, if you have applied under the guaranteed interview scheme **and you meet the minimum essential criteria** for the post, then you will also be invited for interview.

If you are invited to interview and if the interview date is not already provided in this information pack, we will aim to provide you with as much notice as we can of the interview date. If you are unable to make the arranged interview date, we will endeavour to re-arrange it but it might not be possible due to time constraints within the appointment timetable or selection panel availability.

You will receive email communication from Welsh Government’s application centre to let you know whether or not you have been invited to be interviewed.

If invited to interview, the panel will question you about your skills and experience, asking specific questions to assess whether you **meet the criteria** set out for the post.

Candidates who the panel believe are ‘appointable’, will be recommended to Ministers who will make the final decision. The Minister may choose to meet with appointable candidates before making a decision. If she does, she will meet all candidates in the presence of the panel chair or their nominated representative. There will be a time gap between interview and a final appointment decision being made. Candidates who have been interviewed will be kept informed of progress.

If you are successful, you will receive a letter appointing you as an independent member of the Swansea Bay University Health Board, which will confirm the terms on which the appointment is offered.

If you are unsuccessful at interview, you will be notified through the Welsh Government’s application centre. We appreciate it takes a lot of time and effort to apply for roles and that feedback is a valuable part of the process. As a result, the letter will
