Diversity Statement

The Welsh Government believes that public bodies should have board members who reflect Welsh society - people from all walks of life with lived experience - to help us understand people's needs and make better decisions. A representative board will help advance our vision for a More Equal and Anti-racist Wales. This is why the Welsh Government is encouraging a wide and diverse range of individuals to apply for appointments to public bodies. Applications are particularly welcome from all under-represented groups including women, people under 30 years of age, Welsh speakers, Black, Asian and minority ethnic people, disabled people, lesbian, gay, bisexual and transgender people.

Disability Confident

The Welsh Government accepts the social definition of disability, in which it is recognised that barriers in society act to disable people who have impairments or health conditions or who use British Sign Language. We are committed to removing barriers so that all staff can perform at their best. The Equality Act 2010 uses the medical definition of disability (“a physical or mental impairment which has a substantial and long-term impact on a person’s ability to carry out normal day to day activities”).

We guarantee to interview anyone who is disabled whose application meets the minimum criteria for the post. By ‘minimum criteria’ we mean that you must provide us with evidence in your application which demonstrates that you generally meet the level of competence for the role and any qualifications, skills or experience defined as essential.

We are committed to the employment and career development of disabled people. If you would like a guaranteed interview, please contact Leia Davies by email leia.davies038@gov.wales to let them know.

If you have an impairment or health condition or use British Sign Language and need to discuss reasonable adjustments for any part of this recruitment process, please contact Leia Davies as above as soon as possible and a member of the team will contact you to discuss your requirements and any questions you may have.

The role and responsibilities of WIDAB

Background

Originally established under the Welsh Development Agency Act 1975, WIDAB advises Ministers and Senior Welsh Government officials on issues relating to the Welsh Economy and assist them in their ambition to promote inclusive growth across Wales.

The Minister for Economy is seeking to appoint two Board members.

The Statutory Position

WIDAB was originally established under Section 13 of the Welsh Industrial Development Act 1975 (“the 1975 Act”) to advise the Secretary of State on financial assistance to Industry and the same section required the Secretary of State to appoint members with defined experience and capacity.

The functions and duties of the Secretary of State in connection with WIDAB under Section 13 of the 1975 Act were vested in the Senedd Cymru by virtue of Article 7 of, and Schedule 1 to, the Welsh Development Agency (Transfer of Functions to the National Assembly for Wales and Abolition) Order 2005 (S.I. 2005 / 3226 w. 238) (“the 2005 Order”). These functions have subsequently been conferred directly on Welsh Ministers by virtue of paragraph 30 of Schedule 11 of the Government of Wales Act 2006. Board recommendations are usually made to the Minister for Economy.

Although the Board is advisory, if it makes a recommendation to the Minister for Economy and the functions are exercised contrary to its recommendation, the Board can request a statement be laid before the Assembly as to the reason for the change in decision.

Offers of assistance must be compatible with the applicable agreements contained in the World Trade Organisation rules, UK-EU Trade and Cooperation Agreement, any Free Trade Agreement involving the UK, the Northern Ireland Protocol and any relevant domestic legislation.

Boards Role

Central to WIDAB’s role is providing advice to the Minister for Economy on individual projects over £1 million from the relevant schemes within the Economy Futures Fund and other schemes within the Boards remit. The Schemes which are statutory for presentation to WIDAB are:

- The Environmental Protection Scheme
- Capital Investment & Aid for Job Creation
- The Wales Tourism Investment Fund
- Creative Wales Production Fund

Welsh Industrial Development Advisory Board (WIDAB)

Central to the Board's role will be an understanding of the Economic Action Plan which seeks to promote inclusive growth and ensure that all business' that receive Welsh Government Support are committed to Welsh Government's goals.

These goals form the pillars of the new Economic Contract and businesses in Wales must deliver against these ideals. They are:

- Economic Strength and Adaptability
- Their commitment to Fair Work
- Low Carbon and Climate Resilience
- Promotion of Wellbeing

Further to this any business asking for direct financial support will be required to develop proposals that respond and align to at least one of the Calls to Action listed below:

- Decarbonisation
- Innovation, Entrepreneurship and Headquarters
- Exports and Trade
- High Quality Employment, Skills Development and Fair Work
- R&D, Automation and Digitalisation

A good understanding of the Economic Action Plan will be essential to providing high quality advice to the Minister for Economy.

In addition, understand how a project meets Programme for Government commitments with particular focus on building an economy based on the principles of fair work, sustainability and the industries and services of the future.

The selection process

The interview panel will assess candidates' CVs and personal statements to determine who it believes best meet the criteria for the role, and who will be invited to interview. The panel will rely only on the information you provide in your CV and statement to assess whether you have the skills and experience required. Please ensure that you provide evidence to support how you meet all of the essential criteria.

Your application may be "long-listed", subject to the volume of applications received, before it is passed to the shortlisting panel for consideration. You should be aware that in this situation, your application might not be considered in full by all of the panel.

We anticipate that during January 2023 the panel will have decided who will be invited for interview in February 2023.

The selection panel will be chaired by the current Chair of WIDAB and will also comprise of Sioned Evans, Director of Business & Regions (Welsh Government) and Robert Lloyd-Griffiths OBE, ICAEW Director for Wales, as an Independent Panel Member.

The panel will select for interview only the strongest applicants who it feels have demonstrated that they best meet the criteria set out in the person specification. However, if you have applied under the guaranteed interview scheme and **you meet the minimum essential criteria** for the post, then you will also be invited for interview.

If you are invited to interview and if the interview date is not already provided in this information pack, we will aim to provide you with as much notice as we can of the interview date. If you are unable to make the arranged interview date, we will endeavour to re-arrange it but it might not be possible due to time constraints within the appointment timetable or selection panel availability.

You will receive email communication from Welsh Government's application centre to let you know whether or not you have been invited to be interviewed. It is our intention that interviews will take place in the Welsh Government's Merthyr Tydfil office, Cathays Park office or may be held virtually using Microsoft Teams.

If invited to interview, the panel will question you about your skills and experience, asking specific questions to assess whether you **meet the criteria** set out for the post. There will be a case study which you will be asked to comment on and give a recommendation.

Candidates who the panel believe are 'appointable', will be recommended to Ministers who will make the final decision. The Minister may choose to meet with appointable candidates before making a decision. If he does, he will meet all

Welsh Industrial Development Advisory Board (WIDAB)

candidates and in the presence of the Board Chair or their nominated representative. There will be a time gap between interview and a final appointment decision being made. Candidates who have been interviewed will be kept informed of progress.

If you are successful, you will receive a letter appointing you as member of WIDAB, which will confirm the terms on which the appointment is offered.

If you are unsuccessful at interview, you will be notified by Welsh Government's application centre. We appreciate it takes a lot of time and effort to apply for roles and that feedback is a valuable part of the process. As a result, the letter will provide the details of who you may approach for feedback on your interview and application, if you so wish.
